Submit your completed application form and relevant documents to: imh.dcap@nhghealth.com.sg

Incomplete applications will not be processed.

Note:

IMH does not offer remuneration for the internship programmes in Child Mental Health.

IMH reserves the right to amend the terms of the internships, including termination or withdrawal of the internship on disciplinary grounds, poor performance or circumstances that limit intern's abilities to perform their duty.

As per IMH policy, it is mandatory for all interns to be vaccinated against Measles and Tdap. Candidates who have been accepted into the internship programme are required to provide their vaccination records at the point of acceptance. Interns will be required to obtain the required vaccination(s) at their own cost, before the commencement of their internship.
