

Partnering You in Your Road To Recovery

At IMH, we're committed to our patients' mental healthcare and well-being. Your understanding of your rights and responsibilities are crucial for treatment and recovery.

Understanding Your Rights

- To be treated with dignity and respect
- To receive education about your medical condition
- To know the names and roles of your healthcare providers
- To be assured of privacy and confidentiality of your medical records
- To provide feedback

Understanding Your Responsibilities

- To provide complete and accurate information about your health
- To follow treatment plan
- To show respect and consideration to staff and patients
- To pay your hospital bills

For a copy of the Patient Information Sheet, please feel free to approach our staff.
