Sharing Knowledge

Loving People
Not about me; please focus and imagine about who are the teachers who taught me and guided me. Think about how they trained me.

Case Study
4 days after a season of floods, you and your team enter a village. You find that there are 32 kids who are malnourished - what will you do?

32 kids. US$8,000. You have 2 weeks.
How will you feel?
Community

Takes place best when there is shared experiences and shared values.

- Peter Drucker

Competence

Best expressed in Community

The most important thing in communication is hearing what isn’t said.

- Peter Drucker
...always remember people downstream!

Plans are only good intentions unless they immediately degenerate into hard work .... Never mind your happiness; do your duty.
- Peter Drucker
