

Researcher Profile

Name: Adjunct Associate Professor Daniel Shuen Sheng Fung

Present Appointment:

Senior Consultant & Chief Executive Officer, Institute of Mental Health

Contact Information:

Institute of Mental Health, Singapore
E-mail: Daniel_FUNG@imh.com.sg
Telephone: 6389 2000

Research Areas:

Dr Fung's research interest is in anxiety and disruptive behaviour disorders and the relationship with learning disorders. He is currently working on several projects involving neurophysiological and psychological interventions in neurobehavioral disorders. He was involved in a longitudinal cohort study on the epidemiology of video games and gaming and its relationship to psychiatric disorders. He is part of an International Collaborative DEPRESSD Project and has been looking into the screening of depression across childhood psychiatric diagnosis. Dr Fung is also on the Editorial Board of Journal of the Korean Academy of Child and Adolescent Psychiatry (since 2019) and Frontiers Child and Adolescent Psychiatry (since 2020).

Teaching Areas:

Dr Fung is an Adjunct Associate Professor in all 3 medical schools in Singapore and teaches undergraduate and postgraduate students. He also is the research mentor for the Duke NUS students in their research year.

Awards/Honours (Post-PhD):

- Singapore Psychiatric Association Book Prize for being the best candidate at the 1996 MMed (Psychiatry) Examinations
