

IMH Research NEWS

A publication brought to you by the Research Division, Institute of Mental Health | October - December 2016

We would like to extend our warm and hearty congratulations to all IMH colleagues who have received awards at the Scientific Competition during the recent Singapore Health and Biomedical Congress, held on 23 and 24 September 2016. Let us all be encouraged by their efforts in research and learning, and be inspired to take on greater challenges in the future. Congratulations to all the winners!
